

later we found out the hard way. They did not explain, if not, you cannot buy or sell (trade) unless you receive the mark (laws) of the beast-kingdom per Revelation 13:

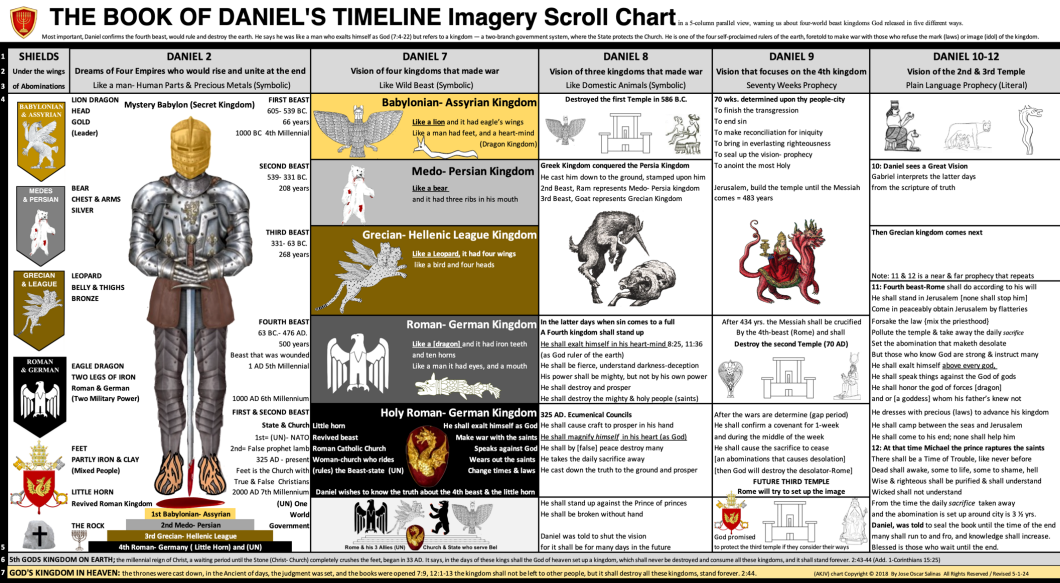

Check out my YouTube video "One World Government" & "Who is the First beast that made war in Revelation 13: who will try to desecrate the temple? And later, I will finish my book on Daniel with additional charts.

I discovered it's easier to understand this book by paralleling the visions, like in the book of Revelation. The difference is Daniel warns us about the fourth Roman beast-kingdom in five-different ways, while Revelation is the sequel to Daniel, warning us in seven chapters. Plus, it clearly identifies it in chapters 12, 13, and 17.

Nevertheless, Daniel 8:11-13 says that when the sin has reached its fullness in the latter-day, a fourth kingdom shall arise from [Rome] who has fierce features. Who understands sinister schemes (plot evil, deception, blasphemes by twisting God's word)? He takes away the daily sacrifices and casts truth down to the ground. (Referring to twisting the word of God during the ecumenical councils) and prosper. And in 2:43-44 says, in the days of these kings shall the God of heaven set up a kingdom, which shall never be destroyed and consume all these kingdoms. (So, the question for those who doubt, who is this fourth kingdom other than the Roman Empire.)

FIVE DIFFERENT WAYS TO UNDERSTAND THE BOOK OF DANIEL

1. Daniel 2: uses symbolic imagery as a man, such as human Parts & Precious Metals.
2. Daniel 7: uses the imagery of four Wild Beast-Animal
3. Daniel 8: uses the imagery of two Domestic Animal
4. Daniel 9: focuses on the seventy-week judgment to end sin plus foretells, Rome would kill Jesus and destroy the Second Temple. Who will come again and try to defile the Third Temple? But this time, God will deliver (rapture) the saints before he releases the last plaques on those left behind.
5. Daniel 10-12: uses plain (Literal) Language regarding the 2nd & 3rd Temple.

The key to solving the Mystery of Babylon is to compare the symbols of the first kingdom with those of the revived fourth kingdom; then everything will come together. In 2011, the United Nations (UN) united 193 of 195 countries, forming a one-world government.

BOOK OF DANIEL'S TIMELINE- with a combined Imagery chart

This chart, has an additional column, called the combine timeline that parallels the four kingdoms, highlighting that they all worship the same gods through their symbols. The most alarming discovery is the use of these ancient symbols within the context of the United Nations' two-branch government system (church and state).

During my travels to the world's largest museums and archaeological sites, I studied the symbols of these kingdoms in-depth. Through this extensive research, I uncovered seven god symbols originating from the Babylonian kingdom, which are used by the four nations who united per Revelation 13, starting around 325 AD. This is referred to as Mystery Babylon, primarily meaning the secret kingdom that worships the dragon in secret.

Nevertheless, the most alarming question remains: Daniel warned of a kingdom that will use strategies to expand its territory (Dan. 11:36-39). Historians say they used the Christian cross, the Virgin Mary, and baby Jesus, pointing to a different Mary and Jesus from the Bible. I will explain these details further in my book and in my YouTube videos.

2: BOOK OF DANIEL PATTERN CHART - Showing the Four Beasts (Kingdoms) Who Seduce Nations to Advance Their Kingdom

This seven-column chart shows a pattern of how all the beast-kingdom advanced its kingdom per the book of Daniel 11:38-39, and Rev.17. All four kingdoms follow a similar pattern. First, they come by way of peace through the establishment of precious stones symbolizing laws that promise freedom, liberty, happiness, and free provisions. However, as they grow stronger, they enforce a New World Order, becoming stumbling blocks leading us to sin against God or seducing us into worshipping an image. But what are the laws that cause us to sin, or this image look like? I traveled to ten countries, the world's largest museums for confirmation. Check out my YouTube video, 'Who is the image of the beast?'"
