Please consider donating to our cause (NPO tax deductible). In return, I will send you my "table of contents scroll chart" along with other charts to help you understand Revelation. Any donation amount to cover printing, shipping, and handling will be appreciated. Additionally, you can donate monthly or yearly to support our cause.

Wall Display layout of all four charts approximate (5'x 8') allows you to compare all charts simultaneously.

I recommend requesting all the charts if possible, or at least #3 with the table of contents chart, to fully understand Revelation. These charts will help you grasp the timeline faster than anyone can teach you, a process that took me 20 years to confirm. I especially encourage every Bible college and pastor to allow me to set up a three-day seminar that will excel every teacher, students and church member like never before.

Chart Notes:

- The text on the wall charts is too small to read in detail and is only placed for reference.
- Each column is titled to help understand the main events.
- Subtitles are added to clarify references and identify the periods/events.

- The seven major periods are color-coded for easy to parallel the events.
- The symbolic images are paralleled based on my observations after organizing the entire book.

"The Structure: Book of Revelation in a Scroll View" (5" x 8")

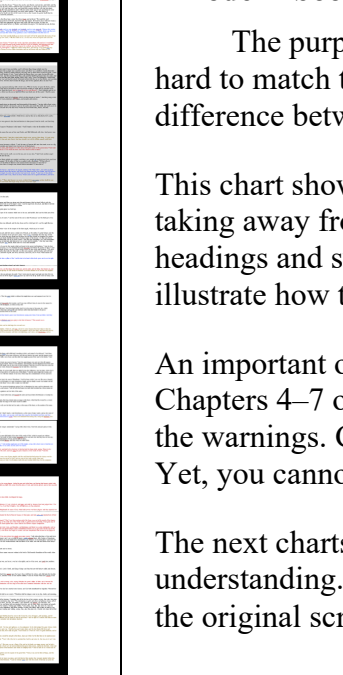

I encourage everyone to first understand the structure (downloadable as a Bible marker) as this will make everything clearer. Start by recognizing the three divisions: the 7 WARNINGS (Chapters 1-3), the 7 JUDGMENTS (Chapters 4-7), and the 7 DETAILS (Chapters 8-22).

Next, verify the seven endings that talk about heaven. This doesn't mean you go to heaven seven times; rather, there is one main prophecy in Chapters 4 to 7, with the remaining Chapters 8 to 22 serving as parenthetical and glossary chapters.

Additionally, check out the selected bibliography at the back of my book on Revelation, which highlights scholars who have attempted to explain this format over the past eighty years, a concept known as progressive parallelism. Essentially, as you unroll each ending, the details of the judgments progress, providing additional information about the seven seal judgments.

I recommend downloading the Bible marker or visiting my speaking engagements where I usually distribute them. You can also order them to distribute as mission tracts. It's a great tool for asking people if they have ever read the Book of Revelation on a scroll, which gives us hope in heaven. Once you go to heaven, you will never suffer again, versus other teachings that suggest after a thousand years, you return to suffer in the hands of Satan to be tested one more time. This is a misunderstanding, and some are setting you up for "The Great Apostasy," which I explain in my book.

"The Table of Content Scroll Chart" (13 x 27")

#1 Modern book view (48"x 9")

The purpose of this chart is to show how we read the Bible today, realizing it's hard to match the seven events compared to the original scroll view. Plus, it shows the difference between a vertical book view and a horizontal scroll view.

This chart shows the original twenty-two chapters chronology without adding or taking away from the Bible. A dividing line is added to show the seven endings with headings and subheadings. And I have color coded three of the seven events to illustrate how they are parenthetical chapters to one main prophecy.

An important observation: Chapters 1–3 give the warning to the seven churches. Chapters 4–7 overview the entire seven-seal judgment on those who did not listen to the warnings. Chapters 8–22 are parenthetical and glossary chapters to the judgment. Yet, you cannot simply parallel the events and understand them in this format.

The next charts will show Revelation in its original scroll layout in a way to bring understanding. Plus, I have highlighted (color coded) the parenthetical chapters per the original scroll view.

Book of Revelation in a Scroll View

Book of Revelation in a Scroll View

Helps us see the way the Jewish people read Scripture in the ancient days. It's the entire book in the plain text, showing when each major vision begins and ends. It's a parallel or side-by-side view, like the Dead Sea scrolls. I only added headings and subheadings and color coded the three major events with blue, red, and gold to confirm the three significant events. Five of seven endings show a blue area, representing the rapture of the church timeline, confirming that the post-tribulation rapture signifies the end of the seven years. Seven of seven endings show a red area, representing judgment and the wrath of God. Seven of seven endings show a gold area, representing when God's kingdom begins in heaven and will last forever.

As I mentioned, reading the book of Revelation in a book view makes it very difficult to parallel the seven endings with the seven major periods that repeat themselves. Even if I colored coded each ending—blue, red, and gold—I still couldn't understand the complete prophecy clearly. And that's why I created my seven-periods timeline scroll.

#3 Seven Period Timeline Scroll Chart (39" x 36")

This chart helps visualize everything described in the original scroll but with color-coded seven-period lines instead of three. I expanded the book vertically to align these periods with each other. This way, everyone can understand the seven-sealed prophecy by paralleling the historical periods, making it easier to see and explain the same events in a side-by-side view. Some refer to this as “Progressive Parallelism,” especially when observing the bottom yellow line. It shows that as you open each ending, the promise about heaven progresses until the last ending. This makes the chart ideal for teaching.

- 1: Who did God give heaven & earth to save His people?
- 2: Who is the false prophet's church that claims God gave them the keys to heaven?

Showing close-up details of the seven major periods? So, you could compare them with any other timelines to see if these things are true. Most importantly, it shows us where we are currently and the next event. So, you will not run weary when these prophecies come to pass. You will learn what's about to happen before they build the Third Temple, at the beginning, the middle, and the end of the last seven-year judgment.

Approximate date

AFTER JESUS'S CRUCIFIXION 30-33 AD, he appeared to the disciples saying, "All power was given unto me in heaven and earth." (Making Him Lord in heaven and earth) Mat. 28:18-20. Then Paul the Apostle said that Jesus must reign till He puts all enemies under His feet by destroying them in the final battle of Armageddon. When all things are made subject to Him, He will also be subject to God, His Father, who put all things under Him, that God may be all in all. 1 Corinthians 15:20-28, Acts 2:34-35. Luke 20:43

LAMB OF GOD, WITH THE HOLY SPIRIT, returned with [the seven flying Angels] stood on Mount Zion with 144,000 redeemed, the first fruits of God were taken into heaven, these did not defile with women, [accept the false harlot church] they are virgins. [To one God], and the saints in heaven rejoiced. 14:1-5 Jesus was the first resurrection, who took the first fruits to God. (called the first death)

SATAN BOUND FOR 1,000 YEARS means he is restricted for a period from deceiving and killing your soul, like in the story of Job. 20:1-3 says the victory of Christ sets us free. 12: 10 and 2 Peter 3:9 say to comfort one another that one day might feel like 1,000 years, but He will keep His promise and return to save us before the wrath of God.

2 THE TRIBULATION (Time of the Gentiles) the Roman Beast was granted to make War with the Saints during Church History that caused suffering. Yet, it's a cleansing period that prepares us for heaven, God's everlasting kingdom, mentioned 5 times in 4 of 7 endings 2-3; 4-7; 12-13; 14; 20:4-5

JOHN INSTRUCTIONS 1:9, 5:10: Warn the saints; some will be tested through tribulation, which he was a companion in, and the kingdom of Jesus Christ (millennial).

SEVEN CHURCHES 2-3: warn the church leaders and warn the saints that Satan has come down with great wrath (2:10, 12:12,17) to try and deceive or kill them. Yet, he who overcomes the Revived Roman beast kingdom will be saved and inherit all things 21:7-8

SEVEN FLYING ANGELS 14: were sent to seal the saints with the Holy Spirit; 3 of 7 preach to give God glory because judgment has come and warn not to accept the laws of the beast or worship the image [of the queen of heaven] for the hour of His judgment has come. The fourth and fifth take the saints into heaven, and the sixth and seventh destroy those left behind.

SEVEN SEAL JUDGMENTS 4-7: were pronounced, the first five seals opened during Church history; he released the four horsemen to judge those who were deceived and fell away by worshipping the image or accepted the mark of the beast 13:

First Seal: white horsemen is Christ sent to conquer sin and return the saints to God. 6:1-2

Second Seal: red horsemen took peace from the earth (hedge of protection) 6:3-4

Third Seal: black horsemen allowed famines (food Crisis) and the horsemen are commanded to Passover the Saints 6:5-6

Fourth Seal: pale horsemen released all four O.T. disasters to kill 1/4 of the earth with a sword, famine, plague, and the beast of the earth 6:7-8

BEAST OF THE EARTH 12, 13, 17: was released 63 BC., [Roman Empire] then fell and revived under a different name, the first beast [Revived Roman Empire] in 312 AD. Then he created the second beast (ecumenical churches, the helpers) in 325 AD to current. [it does everything in the presence of the 1st beast [13:12] It's been deceiving, killing the saints since then; they could not buy or sell unless they accepted the mark [laws] or worshipped the image of the beast or die. [idol of the kingdom]

Fifth Seal: Martyr Saints in heaven cry out, how long do we wait until you judge the beast 6:9-11 The martyred Saints reigned with Christ in heaven during the 1,000-year waiting period 20:4 The dead (lawless) lived not until the millennial period is fulfilled 20:5

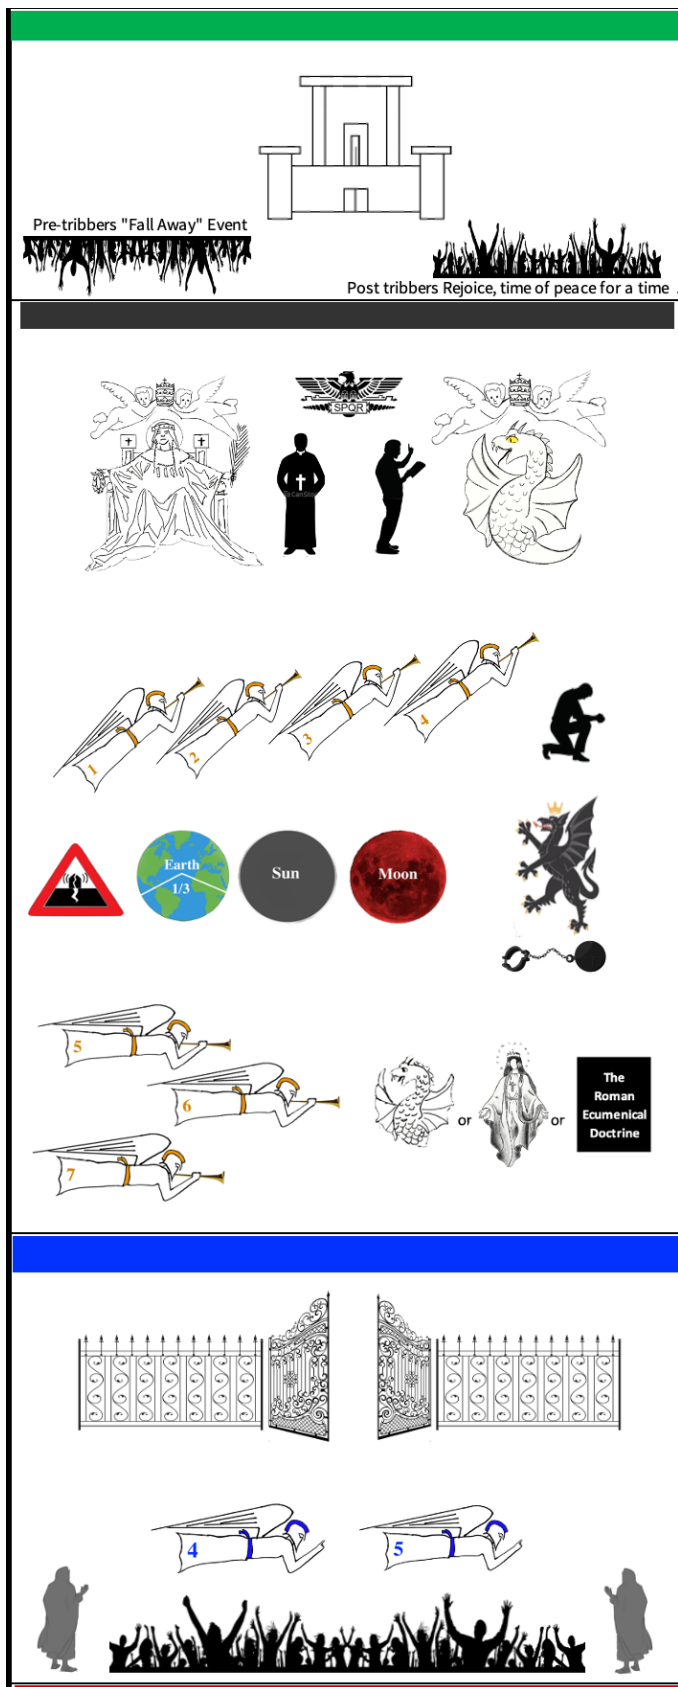

CURRENTLY, WE ARE HERE 7:3-8: God is sealing the 144,000 [Judeo Christians] servants of God. Who's preparing the saints for what's about to happen, preaching the everlasting kingdom of God that will last forever? Rev. 7: Daniel 11:32-35

3 THE 70TH WEEK OF DANIEL starts when Israel signs a seven-year peace plan, which includes building the third temple, mentioned (1) time 11: and the Tabernacle mentioned (1) time 13:5-6, but this term implies that the Roman beast kingdom curses the temple

THIRD TEMPLE 11:1-2 indicates that the third temple is built; an angel instructs John to [evaluate] the temple and the altar of those who worship there. But not the gentile court; it's given to them to tread for 3 1/2 years. Note: Given to the Gentile implies that the Roman kingdom controls the outside courts, but his army does not appear around Jerusalem until the end of the seven years 11:7 paralleled with 20:9. Maybe that is why he curses the temple 13:6 because the Jews do not allow him to set up his image?

4 THE GREAT TRIBULATION begins in the middle of the seven years, part of the sixth and seventh seal judgments mentioned 9 times in 5 of 7 endings 2-3: (6:12-17) 8-9: (11:3-10) 17-18:

SIXTH SEAL summarizes the big picture of the great tribulation to the end 6:12-17 shows a sequence of events for 3 1/2 years. It starts with a great earthquake; the sun became black, the moon became blood, and the ungodly men hid from the wrath of God and Jesus.

SEVENTH SEAL are the details of the sixth seal, God's judgment on the ungodly. 8:1-6 releases the Seven Trumpet Angels; the first four angels destroy 1/3 of the earth's resources, and the last three are woe judgments reserved for those who accepted the mark of the beast or worshiped the image of abomination. Not the Saints who have the word of God on their foreheads. 5:9 implies the Holy Spirit sealed them.

THE DETAILS

John saw an angel crying to the four (trumpet) angels, do not harm the earth, sea, or trees 7:1-8 Until they seal the 144k Jews, servants of God, on their forehead (mind). This implies they are marked prior to Daniel's 70th week.

Note: The saints are not mentioned during the wrath of God because chapter 15 confirms that the saints must be safe in heaven before releasing the seven bowl angels. Also, the Gog-Armageddon War is the same battle in eight prophetic books. An angel released Satan after 1,000 years (a period) for one last temptation to deceive the nations into the battle of Gog (the leader) and Magog (three allies) in the place called Armageddon.

The Bowl Angels and the Sixth and Seventh Flying Angels are the same who destroy those left behind. It says that when the united nations surround Jerusalem, fire came down out of heaven and devoured them. The winepress was filled outside the City (implies that the beast will not enter the City)

First and Second Beast kingdoms were captured who, deceived the earth and cast into hell. 19:20-21

Revelation Visual Timeline Chart

It's a three-column simple and short chart (8"x11") sheet, showing a quick view of the entire book of Revelation seven judgments pronounced on the earth with the sequence of events that started right away. God said to write it plainly so that leaders can prepare their congregations. But some pastors did not listen. (Rev. 2:21)

The Book of Revelation Original Scroll View

St. John the Divine, an Apostle, a Seer, a Prophet, a Messenger of God
Instructions on how to understand chart #2 by Jose Oscar Salinas, revised June 7, 2024

Many consider the book of Revelation to be the most challenging book to understand, but Jose argues that it becomes much clearer when read in its original scroll layout. He believes it deserves a second chance for understanding for two main reasons:

1. ****Clear Timeline:**** The scroll layout provides a clear timeline of events during Daniel's last seventieth-week prophecy, including the coming Third Temple. By paralleling the seven endings with parenthetical and glossary chapters, it's as if John wrote seven pages ending in heaven.
2. ****Preparation for Pastors:**** The book commands pastors to prepare the saints for the Seven-Seal judgments, so they do not grow weary and lose hope when these events occur. It shows that many will fall away, misunderstanding scripture or listening to false teachers who set them up for "the Great Apostasy." Scoffers will rise, mocking believers, saying, "Where is the promise of his coming?"

Jose kept the 22 chapters in chronological order on a scroll after rearranging the entire Bible back into its Historical-Chronological order, a task that took 20 years. This scroll fits the whole book and focuses on understanding its structure, helping readers see Bible prophecy at a glance. Most consider it a breakthrough, believing that God has given us light. The only way to understand it is by seeing the three divisions:

- ****Seven Warnings & Hope (Chapters 1-3)****
- ****Seven Judgments (Chapters 4-7)****
- ****Seven Details (Chapters 8-22)****

Clearly the scroll shows seven endings that talk about heaven and provides a timeline of the Seven Seals, five of which have already come to pass, with two remaining for the last seven years.

- 1: Introduces the Revelation of Jesus the Christ, the messenger of God
- 2–3: Commands John to write a letter to the pastors of the churches to comfort and warn the saints
- 4: John saw a vision of an open door in heaven; see's God's judgment
- 5: Witnessed Jesus opening the seven sealed judgments
- 6: Five of seven judgments started after Jesus ascended to heaven, leaving two to come
- 7: Pause in heaven; an angel commands to seal the saints before releasing the four trumpet angels
- 8–10: Seven trumpet angels (details)
- 11: Seven-year peace plan—third temple—the image
- 12: Fourth beast (Roman kingdom) received a wound spoken of by Daniel
- 13: Roman beast-kingdom revived: united with his three allies
- 14: Seven flying angels warn the nations after Jesus opens the scroll
- 15: An angel shuts the temple gates to heaven and prepares the seven bowls of God's wrath
- 16: Seven bowl angels released to destroy the mystery Babylon kingdom
- 17: Mystery Babylon: the two beasts who worship the dragon in secret
- 18: Describes the great harlot judgment
- 19: Jesus returns to heaven with His army after judging the two beasts—war of Armageddon
- 20: Kingdom of Christ on earth (the millennium) and His final battle
- 21: First earth passes away, and God makes all things new
- 22: Kingdom of God in heaven (everlasting) begins—a kingdom with no more suffering

It shows Seven Periods a timeline during Church History (2 came to pass, 5 remain for the last 7 years)

1. **Kingdom of Christ on Earth (Millennial)**- is to destroy the beast kingdom and the 2 false churches dressed in lamb clothing
2. **Tribulation (Time of the Gentiles)**- God removes our protection during Church history; because leaders did not listen (current)
3. **70th wk of Daniel**- is a 7 yr peace plan, which triggers building of the 3rd Temple (next event) then many fall away (why?)
4. **Great Tribulation**- begins in the middle of the 7 yrs when Rome breaks the treaty, God releases the last 2 seals and the angels Passover the saints

5. **Rapture of the Saints**- signifies the end of the 7-yrs; at the last trumpet, Jesus returns to take the saints into heaven [Post Tribulation- Pre-Wrath]
6. **Wrath of God**- starts when Gog & his 3 allies attack Israel (Armageddon War), then He releases the 7-Bowl Angels on those left behind
7. **Kingdom of God in Heaven (Everlasting)**- begins giving us the blessed hope, a paradise where we never suffer ever again

It shows the last seven years during the Third Temple, giving us hope that God will protect Israel and the saints. People have heard that the temple might be built, but what does this book say will happen? Will there be peace, or will the man of sin stand in the temple? Will the beast (kingdom) set up his image inside the temple, or will God destroy him before that ever happens?

****PURPOSE:**** Jose organized this book to uncover the truth, a struggle he faced during Bible college due to numerous interpretations and not knowing whom to believe. He searched for visual charts that paralleled the periods but couldn't find any that made sense. So, he rearranged the entire Bible back to its chronological order and compared the periods in a way that everyone could understand.

****For the Church:**** He saw overwhelming division over the rapture doctrine and wanted to help unite the church before the Third Temple is built. This scroll, measuring 18" x 36", is one of four charts, showing how they read the manuscripts in the first-century church. It's the entire book in plain text, indicating when each vision begins and ends. He only added headings, subheadings, and color-coded the parenthetical chapters with the three main periods:

- ****Blue:**** Represents the rapture timeline (5 of 7 endings).

- ****Red:**** Represents judgment - the Wrath of God on those left behind (7 of 7 endings).

- ****Gold:**** Represents heaven, and the Kingdom of God begins (7 of 7 endings).

See further notes in his book explaining how he deciphered Revelation. Check out his YouTube channel or order one or all four charts for a complete understanding of Revelation.

****Tips to Understand This Scroll Chart:**** Line up all the color-coded sections (blue, red, gold), and everything will come together. For a clearer view of all seven periods, check out his YouTube video or order the seven-period scroll. This lays it out for you, along with his imagery timeline scroll that matches the periods, which is when everything finally came together.
